b. Manage the Membership Application Process

We currently have one application in process but where attendance requirements need to be met.

c. Review PC Member Attendance

The committee reviewed the attendance and determined that all attendance was reported accurately and since we are in the beginning of the new year, no one is in danger with excessive absences.

d. Analyze PC Membership for Federal Reflectiveness Mandate

The committee analyzed Planning Council membership for the Federal Reflectiveness Mandate. There are a couple of areas where we need to focus on. The Non-Conflicted HIV Status target is greater than 33% and our current percentage is 36%. We are deficient in other areas that we will continue to improve upon. We also looked at the new target percentages from DPH for our EMA and will look into this further during the discussion of updating our application.
